## How to Find Nonprofit Directories

The best way to find a directory of nonprofits is to use a global or regional database that specializes in this area. These databases are regularly updated and allow you to search by country, region, and often by a specific cause.

- **GlobalGiving:** This is an excellent resource that lists and vets thousands of nonprofits and charities around the world. You can search by country and issue area.  
<https://www.globalgiving.org/>
- 
- 
- **The World Association of Non-Governmental Organizations (WANGO):** WANGO  
<https://wango.org/>
- maintains a worldwide directory of NGOs, which you can search by region and country.
- **Charity Navigator and GuideStar:** While these are primarily focused on U.S. charities, they are invaluable tools for researching the legitimacy and financial health of organizations. For international organizations, they may provide information on their U.S.-based chapters. <https://www.guidestar.org/profile/13-4148824>
