

Subject: Partnership & Funding Opportunity: Empowering Restorative Justice with UMOJI

Dear Potential Funding Partnership,

I hope this message finds you well and inspired by the possibilities of transformative impact. We are reaching out on behalf of UMOJI—a Christ-centered, trauma-informed 501(c)(3) nonprofit dedicated to holistic reintegration, empowerment, and restorative justice for adults released from incarceration.

Our Mission & Vision

UMOJI exists to break cycles of generational injustice by providing mentorship, transitional housing, digital arts apprenticeships, wellness programs, and financial literacy—all free of charge. We serve communities across Oregon and beyond, with a vision to scale our “No

Charge" Zone model to 1,000+ hubs worldwide, fostering a \$50B restorative justice economy rooted in dignity, faith, and transformation.

Why Partner with UMOJI?

- **Proven Impact:** Over 1,000 lives served locally since 2023; a growing network of 100+ partners and 1,303+ service locations.
- **Innovative Programs:** From trauma-informed housing and digital storytelling apprenticeships to wellness retreats and financial bootcamps, our holistic model addresses the full spectrum of needs for returning citizens.
- **Transparency & Accountability:** Audit-ready financials, robust measurement systems, and a collaborative spirit drive our work.

How You Can Support

We invite you to join our mission in one or more of the following ways:

- **Partnerships:** Collaborate on programs, job placement, wellness initiatives, or digital literacy projects.
- **Donations/Pledges:** Support our work with one-time or recurring gifts, in-kind contributions, or sponsorships of events like The Twelve Fruits of UMOJI festival.
